GET ALL YOUR EMPLOYEES CONNECTED

Build a thriving workplace culture with Connect's centralized intranet solution for internal communications, employee engagement, and collaboration.

[Boost employee engagement and happiness with the ultimate Edition.](#)

An employee communication app for an informed workforce.

Whether they're in-office employees or distributed teams, you can efficiently broadcast critical information to all with Connect. Share newsletters, company events and updates, images, videos, useful links, and more, and keep it all organized in a visually appealing platform.

The modern enterprise intranet for employee engagement

Build a culture of appreciation, learning, and sharing by creating a digital space for your teams to communicate and exchange ideas freely. Track engagement metrics like most popular groups, active members, and more.

KEEP YOUR WORKPLACE TOGETHER, REGARDLESS OF WHERE EVERYONE IS LOCATED

COMMUNICATE

Feeds

Post announcements, run polls, share ideas, and get employees talking to each other to develop a connected, friendly, and nurturing work environment.

Town Halls

Cultivate transparency and build trust by conducting online town hall sessions with company leadership or topic experts. Encourage employees to join open, yet focused dialogues.

Surveys

Share surveys, collect opinions, gauge the pulse of your organization, create positive feedback loops, and gain actionable insights to keep your employees motivated and engaged.

ENGAGE

Dashboard

Use the Fully-customizable home page to put all relevant information, from upcoming company events to pending tasks or important announcements, right at your employees fingertips

Gamification

Create a culture of appreciation and gratitude by setting up a platform where employees can celebrate each other. A simple thank you comment or a post recognizing good work can go a long way in motivating employees to give their best.

Social Advocacy

Build your brand from the inside out by creating content that your employees can share on their social media platforms. Make every employee an ambassador for your values.

COLLABORATE

Groups

Build collaborative spaces on a common purpose, providing employees, with a forum to communicate freely, share feedback, and accomplish their goals.

Boards

Create plans for your ideas and assign tasks to the right people. Track work progress so you and your team focus on what's important.

Knowledge base

Use the built-in knowledge management tool and document repository to share policies, guides, goals, and values. Build an archive of information for employees to draw on.

AUTOMATE

Custom Applications

Work smarter: build intelligent forms that work the way your team does, or choose from a list of pre-built apps and customize them to suit your needs.

Workflows

Use trigger-and action-based workflows to automate tedious tasks so your employees have more focus where it's needed.
