SECURE BUSINESS EMAIL FOR YOUR ORGANIZATION

Host your business email on a secure, encrypted, privacy-guaranteed, and ad-free email service.

Unparalleled Security And Privacy

Zoho Mail's data centers have top-notch security and surveillance, with a reliable 99.9% uptime. Benefit from secure email hosting that supports encryption both at rest and in transit, along with S/MIME message encryption.

Stay professional with email@yourdomain.com

Create a domain for your business and set up custom email addresses for users. Unique and professional email addresses give your company the visibility and authenticity it deserves.

Extensive Control Panel

Zoho Mail's powerful Control Panel is the admin's go-to place for all settings, configuration, and customization. Add users, manage group aliases, set up policies to moderate business email content, and more.

Email Retention And E-Discovery

Retain emails across your organization for a specified period to comply with company standards and to counter legal attacks. e-Discovery helps discover such retained emails quickly.

Mail On Mobile

Manage your business communications even when you're away from your desk. Native mobile apps for Mail, Mail Admin, and Streams make staying in touch on the go easy and effortless.

Streams - The Newer Way To Email

Add a social media flavor to your mailboxes with Streams. Replace unending email threads with comments, tag your teammates, share files, manage tasks, and much more, right from within your inbox.

Data Privacy and Security

Take complete control of your email data. Our best-in-class privacy practices ensure your data belongs only to you.
