# SUBSCRIPTION BILLING SOFTWARE, CRAFTED FOR GROWING BUSINESSES

Handle your customer subscription billing life cycle from end to end. Automate recurring billing, manage subscriptions, send professional tax-compliant invoices, and get paid on time, every time.

## BILLING TO CUSTOMIZATION

### Automate Your Subscription Billing

You don't have to manually bill and send invoices anymore. Zoho Subscriptions automates billing and sends tax-compliant invoices on your behalf.

- Set up billing frequencies and cycles
- Automate proration
- Bill across the globe and stay tax compliant
- Securely store customer credit card information

## Process Payments

Allow customers to pay for subscriptions in multiple ways so you can get paid faster.

- Collect payments online and offline
- Accept payments in multiple currencies
- Get paid via PCI-compliant hosted payment pages
- Retry involuntary failed payments

## Manage Customer Subscriptions Better

Tailor your products and services to fit your business' pricing strategy, while ensuring that your customers get exactly what they want.

- Create plans, provide add-ons, and offer coupons
- Empower clients with a self-service portal
- Manage multiple subscriptions
- Consolidate invoices for multiple subscriptions

## Tailor The Subscription Experience

Brand every aspect—from your payment pages to the emails you send out, so the whole experience reflects your business identity.

- Choose from a wide range of invoice templates
- White label the hosted payment pages and customer portal
- Craft your pricing tables with widgets

## Get Key Business Metrics

With 30+ analytic reports, encompassing sales, revenue, churn, and subscription activity, stay two steps ahead with your decision-making.

- View key information from the dashboard
- Get key reports like MRR, churn rate, and LTV
- Know your tax liabilities with tax reports
- Get reports delivered to your email

## Customize Your Billing Apis

Automate mundane subscription tasks and build on your solid foundation with the help of powerful REST APIs.

- Create workflow rules to automate actions
- Track subscription changes with webhooks
- Set up email alerts, custom functions, and buttons
- Configure secure, API hosted pages

## HANDLE THE ENTIRE CUSTOMER SUBSCRIPTION BILLING LIFE CYCLE

### Pricing Plan Information

Add flexibility to the signup process by providing multiple plans, add-ons, and coupons. Give customers the freedom to test out your offering with free trials.

### Payment Collection

Collect online and offline payments via leading payment gateways. Make the checkout process a cinch with slick and secure hosted payment pages.

### Billing Experience

Set your invoicing on autopilot but make sure that it still reflects your brand. Store customer card information securely for convenient rebilling.

### Involuntary Churn

Don't lose customers to involuntary failed payments. Automate card retries to maximize your revenue.

### Collaboration

Empower customers by providing a self-service portal, and strengthen your relationship with them by communicating proactively about payment failures and card expirations.

## Integrated Subscription Billing Suite

Zoho Subscriptions offers out-of-the-box integrations to help you manage all the key aspects of your subscription business.
