Automate business workflows by connecting your apps with Zoho Flow. Build smart integrations to break the information silos in your business.

Connect. Automate. Orchestrate.

From daily work chores to detailed workflows, automate all your business tasks with Zoho Flow.

Connect Your Key Applications

Connect your apps to ensure an uninterrupted flow of information between them. Get emails, reports, records, and more to move across your apps automatically.

Automate Extensively With Multi-Step Flows

Design flows to accomplish a whole series of routine tasks that would otherwise eat into your productive work time. Stay focused on the heart of your business.

Orchestrate An Efficient Business

Work as a team on building workflows that connect information across departments. Coordinate with teammates and bring harmony to your business processes.

Make It All Happen On A Dynamic Builder

Stop spending your time and effort coding complex integrations. Easily set up a trigger and drop actions onto the builder to integrate your applications seamlessly.

Off-The-Shelf Solutions

It gets even simpler with our collection of pre-built flows. Pick the ones you like and get started right away.
